ENGINEERING COMPANY

OASIS CONTRACT OVERVIEW

CONTRACT SUMMARY

The SURVICE Engineering Company possesses multiple General Services Administration (GSA), One Acquisition Solution for Integrated Services (OASIS) Small Business (SB) Contracts (GS00Q14OADS437, GS00Q14OADS519, and GS00Q14OADS734).

GSA OASIS SB, a 100-percent small business set-aside contract, was developed in response to the government's substantial need for a hybrid, government-wide acquisition vehicle. OASIS SB provides a streamlined solution for both commercial and non-commercial needs. OASIS SB is designed to reduce duplication of contracting efforts across the government and provide federal agencies with comprehensive, integrated professional services contract options.

BASIC OASIS FACTS AND PROCESSES:

SCOPE / MISSION AREAS:
The scope of OASIS SB spans many areas of expertise and includes any and all components required to formulate a total solution to a professional services based requirement. These areas of expertise include, but are not limited to the following categories.

- Communication
- Compliance
- Defense
- Disaster
- Energy
- Environment
- Financial
- Health
- Intelligence
- Security
- Transportation

For task orders placed under OASIS SB, professional services may be defined as those categories of services provided under one or more of the following Core Disciplines.

- Program Management Services
- Management Consulting Services
- Scientific Services
- Engineering Services
- Financial Services
- Logistics Services
- Ancillary Support Services

CONTRACT TYPES:

OASIS SB allows for all contract types at the task order level (e.g., Cost-Reimbursement (all types), Fixed Price (all-types), Time and Material, and Labor-Hour. Task orders may also combine more than one contract type (e.g., FFP/Cost, FFP/Labor Hour etc.). Additionally, task orders may include incentives, performance based measures, multi-year or option periods, and commercial and non-commercial items.

HOW TO USE GSA OASIS CONTRACT MECHANISM:

Federal Contracting Officers must follow these steps to begin using GSA OASIS SB:

- Request & Complete Delegation of Procurement Authority (DPA) training (60-90 minute course administered by GSA)
- Conduct Market Research & Acquisition Planning
- Develop & Release the Task Order Solicitation
- Conduct Source Selection/Evaluations and Award the Task Order
- Report Contract Actions & Administer the Task Order

NOTABLE FEATURES AND BENEFITS OF OASIS SMALL BUSINESS INCLUDE:

- Streamlined procurement activity (three month average from TORFQ release until TO award)
- Access to best in class solution providers

- Offers a single government-wide acquisition platform to support complex professional services requirements and both commercial and non-commercial professional services
- Maximizes opportunities for small businesses
- Enables agencies to concentrate on agency missions rather than the acquisition itself, minimizing the proliferation of full and open contracts
- Reduces the lead times and administrative efforts it currently takes agencies to acquire complex professional services
- Integrated support for key government initiatives
- Tiered Contract Access Fee (CAF) starting at only .75%
- No protests permitted under the \$10 million dollar threshold
